HOGWARTS AT SBS

Welcome to a whole new magical term at SBS!

Secondary school has turned into Hogwarts School of Witchcraft & Wizardry and we are so excited! We present to you our 4 houses of Hogwarts! Keep reading for more exciting news!

The Origin of the story...

🕯️ J.K. Rowling 🕯️

Joanne Rowling, who goes by the pen name J.K. Rowling, is a British author. Rowling was living in Edinburgh, Scotland, and struggling to get published before her first book, Harry Potter and the Sorcerer's Stone, which was published in 1997.

The children's fantasy novel became an international hit and Rowling became an international literary sensation in 1999 when the first three books of Harry Potter took over the top three slots of The New York Times best-seller list after achieving.

Highlights Of The First And Second Book

Harry Potter And The Philosopher Stone 🪄

- ~ Harry discovers his parents were wizards and that he is famous because he 'defeated' Voldemort.
- ~ He is accepted in Hogwarts the School of Magic And Wizardy were his parents studied.
- ~ He is the Seeker in Quidditch for his House, Gryffindor.
- ~ Harry finds about the Sorcerer Stone and its powers and thought Snape wanted to catch it for Voldemort to get back his power.
- ~ It was really Quirrell who wanted the Stone for Voldemort.
- ~ Voldemort and Harry meet but finally Harry is saved by Dumbledore.

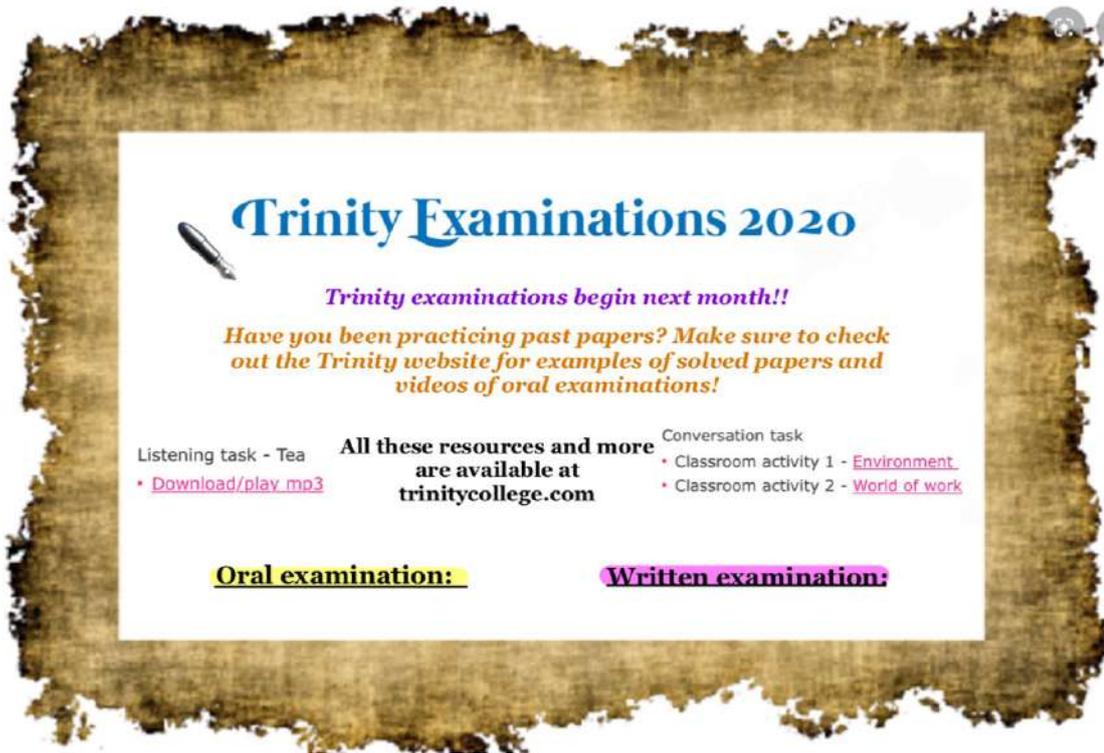

Harry Potter and the Secret Chamber 🔑

- ~ Ron and Harry lost the train to Hogwarts and go by car to the new course.
- ~ Malfoy becomes the new Seeker of Slytherin.
- ~ Mr. Norris appears hanged petrified with a phrase in blood written next to it.
- ~ Harry discovers he knows how to speak Parsel.
- ~ Harry finds Tom Riddle's diary and enters into it.
- ~ Harry, Ron and Lockhart enter into the Secret Chamber.
- ~ Harry meets Voldemort, defeats the Basilisk and saves Ginny.

Recipes

We're sharing with you a super easy recipe to make the famous ButterBeer from the Harry Potter movie!!

What you will need:

1 L
cream
soda

1 cup
whipped
cream

2 - 3
tablespoons of
butter

2 - 3
tablespoons of
brown sugar

4 - 5
Werther's
Originals

- Carla N.

Put cream soda in a pot to boil.
Melt the butter and sugar together until the
sugar has dissolved.
Pour butter and sugar mixture into the pot of
boiling cream soda (make sure that the soda is
boiling or the butter and sugar will solidify)
Add cream
Add Werther's Originals and stir continuously
until melted
Serve hot.

Optional - Add a shot or two of Butterscotch Schnapps for
extra kick!

World News

An innocent boy from Vietnam who was sent to UK for further studies ends up working as a slave in a cannabis farm.

A state of emergency has been declared after severe snowstorms hit Newfoundland & Labrador

The Duke of Sussex and his wife arrive Canada as they prepare for a new life away from Royal duties

A man who impersonated as a doctor to persuade women and electrocute them has been jailed for 11 years in Germany

January's Horoscope

Capricorn.

Venus is in Aquarius, so remain detached and true to your values and you can attract the financial and emotional support and love you desire.

Cancer

Happy New Year, Cancer! You're in a powerful new relationship cycle as you enter January, moving forward from a Capricorn solar eclipse to an emotional Cancer full moon and lunar eclipse in Cancer on January 10.

Libra

Venus enters Pisces on the thirteenth, shifting the focus to work, life, and health. Pay attention to your quality of life and where you pour your energy each day.

Leo

Happy New Year, Leo! As the year begins, you're in a Capricorn solar eclipse and new moon cycle. Life is under construction and in a state of being totally overhauled. You may be starting a new job, new routine, or transitioning into a whole new life. Pay attention to your health, and make healing a priority on all levels.

Piscis

Venus enters Pisces on the thirteenth, adding a touch of sweetness and magic to your life. This is a chance to love yourself first, and then you can attract what you desire and naturally gravitate toward your tribe.

Aries

Happy New Year, Aries! Jupiter entering Capricorn and the recent Capricorn solar eclipse marked the beginning of a profound new professional cycle. You've always been ambitious; now there are huge opportunities arising for you to move things to a whole new level.

Gemini

Happy New Year, Gemini! You're in between eclipses, in a Capricorn solar eclipse and new moon cycle. Life is changing from the core, and a marriage, intimate relationship, and/or financial situation is evolving profoundly.

Virgo

On January 10, the Cancer full moon and lunar eclipse align in your house of friends, hopes, dreams, wishes, and fulfillment of wishes, highlighting these themes and closing out a longer 18-month chapter drawing you toward your future.

Aquarius

As the Cancer full moon and lunar eclipse align on January 10, a health or work situation comes to light. Life is changing, and you don't have all the answers, but take things one day at a time and you can see the next steps.

Sagittarius

On the twenty-fourth, the Aquarius new moon marks a new cycle for communication and negotiation, asking you to open your mind to the possibilities. You're blessed, and your depth is infinite. You have more options than you thought.

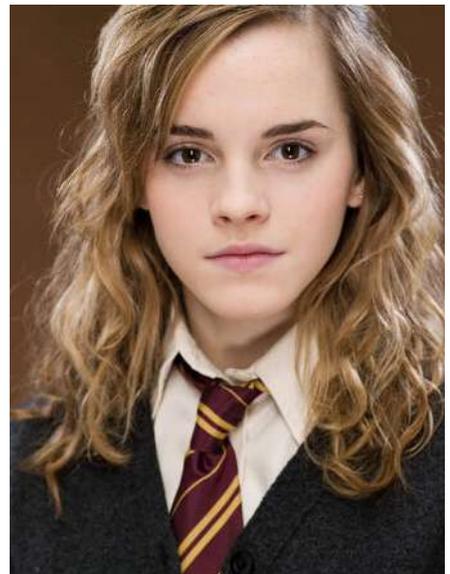

Scorpio

The Aquarius new moon aligns on January 24. Be honest about what and who you want and value and what you need to feel safe emotionally, financially, and in your relationships. This is a clean slate and a chance to leave the past behind.

Taurus

Happy New Year, Taurus! As the year begins, you're between eclipses on a journey taking you to new heights, personally and professionally. Your horizons are opening up.
