# Editor's Note

This month's edition is the fifth newspaper of this academic year 2022-2023. We are very excited to continue this legacy with Year 9.

Furthermore, this month's number is focused on School Celebrations and Father's Day. It includes all the sections you have come to love like reviewed, get to know the school, recipes and our famous quizzes.

You will have small snippets of news from our institution and the activities we had last month.

We hope you enjoy this edition of the SBS Newspaper and we would love you to follow us throughout the year as it will continue to be full of interesting information, incredible food, writing and plenty of fun for all ages to read.

As always, we would like to say thank you for your participation and for always being there, enjoy the reading!

# Sierra Bernia School Goes Wild!

By Emilio

On Valentine's day, we gave each other Valentine's cards and brownies.

February 15th was the date when we showed our support for the fight against cancer. We donated money to Fundación Aladina, a large charity that fights against cancer in children.

Years 10-13 visited the UCAM University in Murcia. They went there as a part of their career guidance program at SBS.

On Friday 17th, KS3 celebrated Carnival. We started with an outfit-creating competition to see who's drawn character would have the best outfit.

We then brought some delicious desserts and shared them with each other.

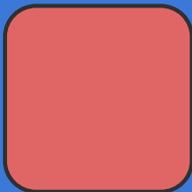

Finally, we watched some movies and played games together.

# Peanut Butter Banana Cookies:

**By Ester & Andrea**

Ingredients:

- 128g of creamy natural peanut butter.
- 45-60g of banana purée.

Instructions:

## **Step 1:**

Preheat oven to 350°F. Line a large baking sheet with parchment paper.

## **Step 2:**

In a medium-sized bowl, combine peanut butter and banana purée. Stir together with a spatula until the purée is completely incorporated into the peanut butter. The mixture should thicken as you mix and should be able to form a cookie dough with the mixture.

## **Step 3:**

Using a 1 tbsp measuring spoon, scoop out cookie dough. Use another spoon to help you release the cookie dough onto the prepared baking sheet.

**Step 4:** Use the palm of your hand to flatten the dough into thick round disks about  $\frac{1}{4}$  inch thick. If your disks are not perfectly round, you can use your hands to shape them as needed. If desired, add criss-cross patterns to the surface of the cookies using the back of a fork.

**Step 5:** Bake the cookies for about 12-13 minutes or until they are puffed up and the tops of the cookie area are of a golden brown. If you aren't sure if your cookies are done, you can also test one by trying to gently slide it from its space on the parchment paper. It should slide easily. If it leaves crumbs stuck to the bottom of the parchment paper, then it's not finished baking. Let cookies remain on baking sheets until fully cooled for them to set properly.
