Editor's Note

by YEAR 9

Dear readers,

It is an honor and a pride for the **Year 9** of the 2026 - 27 school year to publish and present to you this **October** magazine.

We received this responsibility with eagerness and enthusiasm, with the firm intention of turning this monthly paper into an ambassador and a showcase for our beloved **Sierra Bernia School** where, for many of us, we carried from our earliest childhood.

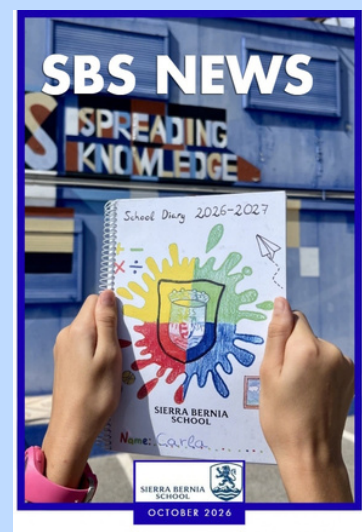

In this month of **October**, in order to familiarize ourselves with our new mission, we have kept the sections of the latest issues: news related to the school, and others related to the current situation in our area or beyond, not to mention film, recipe and quiz.

Our intention for the future is to be able to involve our other half : **Primary**.

We hope you love this month's **SBS NEWS** edition.

Enjoy reading!
